Teacher's Prayer

by James Metcalf

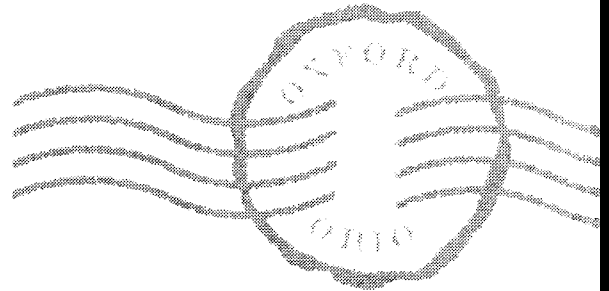

*I wanted to teach my students how
To live this life on earth.
To face its struggles and its strife
And to improve their worth.
Not just the lesson in a book
Or how the rivers flow,
But how to choose the proper path
Wherever they may go.
To understand eternal truth
And know the right from wrong
And gather all the beauty of
A flower and a song.
For if I helped the world to grow
In wisdom and in grace
Then I feel that I have won
And I have filled my place.
And so I asked your guidance, God
That I have done my part
For character and confidence
And happiness of heart.*
