## Teacher as Artist Exhibit: You show your student's art, now show yours!

The Ohio Art Education Foundation is pleased to announce an exciting opportunity for OAEA members. In collaboration with the Ohio Arts Council's Riffe Gallery, in downtown Columbus, the Foundation is sponsoring an exhibit to showcase art educators as artists. Members are invited to submit up to three (3) images of completed work (any medium) to be considered for inclusion in this juried exhibition. The exhibition dates will be November 1, 2018 – January 5, 2019.

This opportunity is open to all of the divisions except the pre-service division since student work is not accepted due to gallery policy. More information is on our website.. Questions may be directed to Dennis Cannon, President of The Ohio Art Education Foundation at [foundation@ohioarted.com](mailto:foundation@ohioarted.com).
