**New member benefit!** Starting this year the Ohio Art Education Foundation and the OAEA are partnering to provide an Award of Excellence with a \$700 scholarship to a student to the college of their choice.

The teacher gets a \$300 grant for program materials or resources. This is only for teachers who are members of OAEA! <http://www.govart.org>

## New member benefit! Check it out!

Our website has a new feature called a job board. You can find tabs in our menu on the home page. This is free for our members to use. It costs the companies and school districts to post jobs here. Please encourage your school districts to use this feature to ensure high quality art educators who are involved in their professional organizations! Spread the word to fellow art educators who are looking for jobs.
