Student Programming Studio

Deadline is nearing! Get your art selected! Get those critiques written! Choose your favorite YAM Flag and Graphic Design.

December 16 is the deadline for all of the March student programming. There are online submissions for YAM, YPAE, JTACO, and the Flag/Graphic Design. See <http://www.oaea.org/exhibitions> for more info.

House of Representatives Exhibit (the 99 show)

We are still in need of art for some of the 99 districts!

Ok, secondary art teachers! Now that you have all of that art matted for different art shows, now is the time to showcase some students in The 99 Show: House of Representatives Exhibit. We need to get one piece of art for all 99 districts and they really want art from different schools this year. Maybe it should be yours this time!?

Contact Clayton Kessler if you have questions houseofreps@ohioarted.com
Check out the details at <http://www.oaea.org/house-of-reps-show>

Leadership Studio

2017 Ohio ART EDUCATOR of the YEAR

It is a privilege to congratulate **Randy Robart** for earning the distinguished honor of being our 2017 Ohio Art Educator of the Year. Randy has served OAEA in many roles including 1st VP, President, Past President, Conference Coordinator, and more. He is also an artist who has sold his art across the nation in Art-O-Mats and exhibited in 29 juried art exhibits. I love to see his fun and creative outfits for our themed meals at the conference! I must also mention that he is a OAEA Fellow and won Advocate of Honor for speaking up for art education and his students.

NEW LEADERS!

Please plan on attending our New Leader Orientation on December 2, 2017 at the STRS building in Columbus. At 9:30 get signed in and acclimated; 10-1:00 is the orientation. Learn some of the basics about your new role in OAEA, have lunch on us, and mileage will be paid for your travel.

Please feel free to contact me about concerns or to share good news.

Artfully Yours,

Alice Tavani president@ohioarted.com
